PROFESSIONAL SUMMARY

Full-stack software engineer with industry experience building and maintaining web applications. Proficient in design and implementation of intuitive and responsive UIs. Experienced in REST API development. Strong teamwork, leadership, organization, and communication skills. Proven to learn quickly and adapt to diverse situations and complex challenges.

CORE SKILLS

- **Languages:** Python, Java, JavaScript/Typescript, SQL, HTML/CSS
 - **Frameworks/Tools:** React, Next.js, Spring Boot
 - **Testing:** JUnit, Cypress
 - **Cloud/DevOps:** AWS (Lambda, S3, Cloudwatch, DynamoDB), GitLab, CI/CD Pipelines
 - **Methodologies:** Agile/Scrum
-

PROFESSIONAL EXPERIENCE

Software Engineer Intern – Quantum Pulse Consulting – October 2025 to Present

- Applied Agile Scrum methodologies and ceremonies (daily standups, sprint planning, retrospectives) to deliver features incrementally with cross-functional teams.
- Accelerated development leveraging AI development workflow and prompt engineering.
- Leveraged CI/CD pipelines to accelerate and automate iterative development, testing, and deployment.
- Participated in code reviews and contributed to technical documentation to improve maintainability.

Software Engineer Intern – State Farm Insurance – May 2021 to May 2023

- Built responsive and intuitive user interfaces using the React framework.
 - Designed and maintained Java APIs.
 - Iteratively enhanced a policy reassignment tool, enabling large-scale data visualization and manipulation.
 - Migrated application to Next.js Typescript framework.
 - Deployed containerized applications using Docker.
 - Designed, implemented, and maintained a complex visualization tool, meeting clients' complex business needs.
 - Implemented unit and integration tests with Cypress to ensure code reliability.
-

EDUCATION

B.S. in Computer Science – Illinois State University, May 2023 – GPA: 3.93

- Summa Cum Laude, Honors Graduate, Technology Assistance Community Outreach

High School Diploma – Le Roy High School, May 2020 – GPA: 4.00 – Class Rank: 1st

OTHER EXPERIENCE

Volunteer Missionary – August 2023 to August 2025

- Served a two-year mission in Chile, developing fluent Spanish.
- Managed schedules, set goals, and reported progress regularly, building strong self-management and organizational skills.
- 70+ hour work week, including daily and weekly planning, 1-on-1 mentoring of volunteers, leading team performance reviews, conducting trainings of 30+ volunteers, and organizing community events.
